

# We Need A Roe of Our Own!

**Wisconsin women can no longer depend on Bush's Supreme Court to protect our right to choose. We need *A Roe of Our Own* so that no matter what happens to *Roe v. Wade*, Wisconsin women will never become criminals for seeking an abortion. Politicians should stay out of personal and private decisions between a woman and her doctor. I support legislation to ensure that abortion remains safe and legal in Wisconsin. *Note: Your full name and address are required.***
